

# Caldwell Aeromodelers AMA Charter #3470 Club Newsletter Feb 2005

**MEETINGS:** Next meeting will be on Wed Feb 16th at Prime Sirloin off hwy 321 in Hudson. Arrive at 6:00 to Eat, and 7:00 for the meetings.

## A Note From The President

A lot has been going on at the Hudson field and with the Caldwell Club.

Brett, has updated the website and posted the new 2005 membership application.

Bliss has acquired a glitch counter. It will help us determine if there is an interference problem with our close neighbors at the bottom of the hill.

We now have two nice new safety tables thanks to Jack's building efforts, and Keith Hilton has donated a NexSTAR trainer to the club for a club plane. It comes complete with engine & Radio (RTF).

Topics for the February meeting will include:  
\*Working on the freq. interference problem.  
\*Planning the next field improvement.  
\*Fleshing out our fun fly

Finally I would like to welcome new member E Paul Robins to the club.

Hope to see you all this Wednesday at Prime Sirloin.

Seth.

## At The Last Meeting

The club officers appointed the following positions.

Safety officer – James Burns  
Field Marshall – Jack Adams  
Intro Pilots:  
Ron Miller  
Brett Springall  
Seth Nagy

We discussed the possibility of paying for the grass to be mowed. Following the theft of the

lawnmower, and ongoing vandalism at the field, we are investigating all possibilities for field maintenance.

We discussed holding some events at the field. We would like to arrange a fun fly, and will be involved with the RC Rally being planned at the Morganton-Lenoir airport.

We will need your continued support throughout this year. We want to make improvements to the field, increase membership, and also hold at least one event at the field this year. Please bear all of these things in mind, and continue to promote the club when you get the opportunity.

## **Up Coming Events**

Mar.5-6 Swap Meet, **Perry, GA.**

Check the events section of Model Aviation for details.
