AMA Charter #3470

Club Newsletter Jan 2005

Welcome everybody to this new club year. May I start by saying that we expect that this year will be one of positive growth for our club. There will be lots of work to do to improve the field, and also hopefully we will be able to have some fun events this year. Please remember that the club needs your participation in work days, and events. If I can paraphrase Kennedy, remember It's not what your club can do for you, but what you can do for your club.

Our deepest sympathy must be expressed for the passing of our friend and club member Ivan Vrooman. He will be dearly missed.

We continue to add new members, and I would like to welcome Eddie Kizer and Allen Crowe to the club. Please say a friendly hello when you see them at the field or at meetings.
