

## AMA Charter #3470 Club Newsletter March 2005

**MEETINGS:** Next meeting will be on Wed Mar 16th at Prime Sirloin off hwy 321 in Hudson. Arrive at 6:00 to Eat, and 7:00 for the meetings.

### A Note From The President

I'd like start by welcoming two new members to the club, Keith Hilton & Jason Starnes. Many of you may know then from the West Hickory Club.

Our Caldwell Aero Modelers fly-in is scheduled for Saturday, June 25. Bliss has sent in the AMA sanctioning papers so it will be an official AMA event. Let's promote this event. We'll have fliers to distribute to hobby shops and other area AMA clubs. If you are interested in being on the fly-in committee please let me know. We will need all the help we can get to make this a great event.

At the meeting this month we'll vote on a proposed CAM logo. Hope you will all be able to make the meeting and please bring a friend.

Seth.

### At The Last Meeting

The club charter has been updated and mailed back to AMA

We discussed having a fun fly in at the field this year. Bliss has filled out the paperwork for an AMA sanction, and has mailed it to AMA

Seth brought a trainer, which was donated to the club. It is a nexstar, and has a 46 sized engine, and all the servos.

James brought the frequency pins, and board. He has done a great job putting this together. Make sure to thank him next time you see him.

We discussed the possibility of carrying out some interference testing with the site off freezer

locker road. Bliss is in possession of a glitch counter, borrowed from AMA. We will need 4 people to get together with two planes on the same frequency to carry out this test.
