A Note From The President

I'm excited good flying weather is finally here. We got the OK from Mike Lane at the County to trim the trees. We are almost finished with that big job. I want to thank Larry, Gary and Jack for their help with tree cutting. We'll finish up the tree trimming at our next work day April 15th.

I hope everyone will be able to make the meeting Wednesday April 19th. Remember, the meeting will be at the field. One major item to discuss is a proposed runway improvement. As always, we'll start the meeting at 7:00 PM, but come early and fly. Hope to see you Wednesday.

Seth
