Club Information

President – Seth Nagy
Vice President – Brett Springall
Secretary/Treasurer – Shirley Teague
Safety Officers – Richard Hass, George Herr
Field Marshalls – Jack Adams, Larry Smith
Into Pilots:
Seth Nagy, Ron Miller, & Brett Springall

A Note From The President

Hello again. Where has the summer gone? It is already the middle of July. I guess the good thing is the weather will be getting cooler soon, but I'm sure August will still be very hot.

Just for fear you did not make it to the field on June 24th, the fly-in was a huge success! Everyone seemed to enjoy themselves. The Lenoir Newstopic ran a great article in last Sunday's paper. Several color pictures. We even made a little money for the club at the fly-in. I want to thank everyone who helped with the fly-in. It takes a huge effort to have the fly-in and I want to thank everyone for their hard work.

The main thing I am looking forward to is using the site we have all worked so hard to develop. It seems like Sunday mornings always work into my schedule to fly, but if you have other times you'd like to fly then call a club member and go fly. Everyone should have a membership booklet with all the club member's names and phone numbers. I think the site is as nice as any field in the area, we just need to use it.

Happy landings – Seth

NEXT MEETING.

The next meeting is Wednesday July 19th at the flying field. Meeting at 7:00pm.

Up Coming Events

August 5th - 8th WHAM. Annual Bob Wilson Memorial Fun Fly

August 6th – WHAM. 4 Star 40 Pylon Rules at www.wham-rc.org.

January 1, 2007 – WHAM 4 Star 40 Pylon Race III. Rules at www.wham-rc.org.

The WHAM 4 Star 40 races are also open to CAM and CVRC members.

Notes from the last meeting

We had 11 members plus 3 guest present and enjoyed grilled hot dogs/trimming and banana pudding for dessert at the meeting held at the flying site.

The fabric runway has been put down and it looks great and makes flying better than grass. THANKS to all who help with the installation in time for the Fly-in.

Two new members joined at the fly-in. David "Tracey" Testerman and Allen Watson. This makes our membership 30 now.

Membership booklets are now mailed to all. Thanks to Bliss he paid for the postage. Thanks to Brett for preparing the books.

From the Sec./Treas:

Thanks to Mearle our CD for a well run Fly-In, and for his donation to the person who traveled the furthest. The food was great again Thanks to Jackie and her crew for all their work.

Words are hard to come by to express A BIG THANK YOU for helping provide in the collecting "Animals for Alex". We collected 47 stuffed animals at the fly in and the fees collected from the ones who did not bring one will buy allot more for the cause. Most of these will be donated in Caldwell area.

This group has been ask by University Hospital in Charlotte to provide 30 NEW stuffed animals each week. They are now looking for sponsors to help do this project. All of them have got to be NEW because of regulations of the Hospital.

Thanks also to the News-Topic for a well written article about the fly-in and the Animals. (If anyone has an extra copy or will get me one I would appreciate it and pay for it. July 19th)
