A Note From The President

As I write this note for the newsletter I am both sad and excited. I'm sad because the good flying weather is behind us. I'm excited because swap meets are coming up. I'll have to check this month's Model Aviation, but I think the first swap meet in our area is in Winston-Salem. Swap meets are a good place to pickup bargains and see all kinds of interesting stuff.

Last time I was at the field I looked over the sign-in book. It seems the field is being used most on Sunday mornings. The second most frequently used time is Saturday afternoon. Please remember to sign in when you use the field.

Our next meeting is November 21 at 7:00 pm. We will meet at the library in Lenoir. This really seemed to a great meeting place last month. I have asked Bliss to bring a video for us to watch. I'm hoping he'll bring "I build, crash, and repair 'em". We'll conduct the business session and voting first, then anyone interested is welcome to stay for the video. Look forward to seeing you at the meeting.

Happy landings – Seth

Next Meeting

Next meeting is Tuesday, November 21, 7:00 at the Lenoir Library. For any members who did not make the last meeting here are the directions, to get to the library from the flying field, go down the hill to HWY

321, turn right, go 5.2 miles, turn right at the traffic light on to Hospital Ave NE, go about 400 feet and the library is on the right. Use the lower entrance at the back of the building to enter the meeting room area. We have been missing a lot of you at the club meetings hope to see you at the next meeting in November. The library is a really nice place for our meetings, Thanks to Seth Nagy for the arrangements with the library.

Notes From The Last Meeting

We met at the Caldwell County Public Library in Lenoir with 10 members and 2 guests present. We would like to welcome our newest members, Douglas Dale Coffey and Don Bourdon. These two members bring our membership total to 36. Five pilot stations will be built, money was collected for four at the last meeting. We discussed building some new starter tables, Mearle Hickman said he would donated money to pay for one table. Field Marshall, Jack Adams reported they fixed some tears on the runway. Intro-pilot, Seth Nagy is working with Chuck Byrd and his son Zack and also with Douglas Coffey. After some discussion on the Club Buddy Box we think it should be put in a lockbox for intro-pilots use only, it was left out of pin box after someone used it. Seth brought a DVD of "One Week to Solo" for anyone who would like to watch it, we have a few copies for members to share. Slate of Officers nominated for 2007 are: President: Chuck Wilkerson, Vice-President: Brett Springall and Secretary/Treasurer: Shirley Teague. If you have someone you would like to nominate please do so at next meeting. Chuck Wilkerson brought a DVD of "Top Gun Show" that members viewed after meeting.
