A Note From The President

I like to thank everyone that attended last meeting and hope we see some new faces this month. It's getting that time of the year and we will all be going to the flying field soon, let's just keep safety in mind at all times as we kick off this season. I'm looking forward to the events we have coming up this year. See everyone at the next meeting.
Sincerely,

Chuck Wilkerson

Next Meeting

Next meeting is Tuesday, **March 20, 7:00** at the Lenoir Library.

Notes From The Last Meeting

CAM meeting was held at Library in Lenoir with Chuck presiding. We had 15 members plus two guests present.

Field report: Jack stated that the gravel is down where it is needed on the road way at the field.

Membership report: Our total membership is 39 and this is very good this early into this New Year.

Fly-In June23rd was discussed- Fee to fly \$10.00---- Pilots meeting 9:00 This event was voted not to be for charity this year.

List needed for the remaining positions and who will be in charge. The few we have are: Larry and Ron impound table, Sign in and 50/50 ...Shirley and Chuck. Chuck will also do the announcing.

Members voted for: Turn starting tables around to have the planes facing toward runway not the people as it is now.

Members voted after some discussion about our Website that we should have at least two people who can get into it and keep it up to date or make corrections when needed.

Before Fly-in we need some signs put up for safety.

Club recharter is being completed now.

Hope to see you at the next meeting on March 20, 2007. Fly safe!!
