A Note From The President

Swap meet season gets started this year with the new joint venture between West Hickory Aeromodelers and Catawba Valley RC'ers. The event is being held October 20th at the Hickory Metro Convention Center, so make sure you stop by to check out the deals.

Last month Seth suggested an event where members could gather to show off and photograph their unique airplanes. I think this is a great idea, and will be a nice event for members to get together for a day of fun flying and fellowship. Photographs could be submitted to the magazines for their reader's airplanes sections, and will also give us more pictures to freshen up the website. A date for this event will be decided soon.

It is also the time of year where end of year elections have to be planned for. Nominations for officer positions should be made by the November meeting, so that the election can be held during the December meeting. Please let any officer know if you have a nomination.

Until next time, have fun flying.

Brett Springall
