A Note From The President

The summer is flying by. Hope you have taken advantage of the rare 'cool' days and flown a time or two. By the time you read this we will have completed our TAG events. A special thanks to Ron Miller, Chris Roberts, Richard Hass, Mike Kirby, Seth Nagy and Vic Welland for their help and support with these events. In total 24 scouts and 7 area youth attended the sessions and the club received a very nice write up in the News Topic. Definitely a worthwhile effort. Thanks again for all your help. Happy Landings. Don

A little humor from around the patch:

A plane is on its way to Houston when a blonde in Economy Class gets up and moves to the First Class section and sits down.

The flight attendant watches her do this and asks to see her ticket. She then tells the blonde that she paid for Economy and that she will have to sit in the back.

The blonde replies, "I'm blonde, I'm beautiful, I'm going to Houston and I'm staying right here!"

The flight attendant goes into the cockpit and tells the copilot that there is a blonde bimbo sitting in First Class that belongs in Economy and won't move back to her seat.

The copilot goes back to the blonde and tries to explain that because she only paid for Economy she will have to leave and return to her seat.

The blonde replies, "I'm blonde, I'm beautiful, I'm going to Houston and I'm staying right here!"

The copilot tells the pilot that he probably should have the police waiting when they land to arrest this blonde woman who won't listen to reason.

The pilot says "You say she's blonde? I'll handle this. I'm married to a blonde. I speak blonde."

He goes back to the blonde, whispers in her ear, and she says "Oh, I'm Sorry," and she gets up and moves back to her seat in the Economy section.

The flight attendant and copilot are amazed and asked him what he said to make her move without any fuss.

"I told her First Class isn't going to Houston."

Be safe - John
