Thank you for your support and cooperation. I hope you are planning on coming to our Christmas Party. Lot's of good eats and fellowship in the past and we look forward to the same this year. I wish you all the best this holiday season and in the upcoming new year.

Happy Holidays
Don

A little humor from around the patch:

An airliner was having engine trouble, and the pilot instructed the cabin crew to have the passengers take their seats and get prepared for an emergency landing.

A few minutes later, the pilot asked the flight attendants if everyone was buckled in and ready.

"All set back here, Captain," came the reply, "except the lawyers are still going around passing out business cards."

Be safe - John
