## A Note From The President

The Speed Rally was a huge success with 20 pilots registered to participate. The club raised \$100 for Hospice and over \$400 for our treasury. Top speed was 211.8 mph. Next year the speed demons will be aiming for 225 mph. Congrats to Vic Welland for a job well done.

The event was not without incident as one spectator had to be taken to the hospital with heat stroke. During these hot summer months please take proper precautions to avoid over-exposure to the sun and heat when at the flying field.

The TAG events are proving to be very popular with the scouts. We have a full house for the 17 July session with 10 already enrolled for the final session in Aug.

Happy Landings,

Don

Next Meeting:  
The next club meeting is  
Tuesday, July, 20 @ 7 PM at the flying

#### **A little humor from around the patch:**

SHE WAS SO BLONDE THAT SHE.....

1. Took her new scarf back to the store because it was too tight.

2. Couldn't learn to water ski because she couldn't find a lake with a slope.

3. Can't work in a pharmacy because the bottles won't fit into the typewriter.

4. Got excited because she finished a jigsaw puzzle in 6 months and the box said "2 to 4 years."

5. Was trapped on an escalator for hours when the power went out.

6. Couldn't call 911 because she couldn't find an "11" on any phone button.

7. When asked what the capital of California was, she answered "C."

8. Burnt her nose bobbing for French Fries.

Be safe - John
