Treasurer: *Seth Nagy*

Secretary: *John Limbrunner*

Safety Officer: *Chuck Byrd*

Field Marshall: *Ron Miller*

Assistant Field Marshall: *Tony Triplett*

Intro Pilots: *Seth Nagy, Vic Welland,*

& William Bradshaw

A Note From The President

Our 2nd Annual Fun Soar is in the history book with flyers coming from Asheville, Statesville, and Hickory to participate. Though the group was small all had a good time once the morning fog cleared. Look for Bliss' write up in a future issue of the AMA magazine.

We have several events upcoming in June and we need your help to make them a success. Needed are volunteers to help students build simple balsa models and fly on the simulators at the TAG workshop on June 19th at the library. We also need four laptop computers for that morning to run the simulators. Free lunch for all volunteers.

We have been asked to provide a RC Demo at the Cub Scout summer camp in Granite Falls on the Jun 21st from 11-1200. If you have a plane capable of flying in a smaller area and can spare an hour of your time please consider helping out with this demo. Static display airplanes are needed also.

Finally, volunteers are needed to help out at the speed rally on June 26th. Flaggers and

timers are always fun jobs that offer you a front row seat on all the action. Other jobs need to be filled. Give Vic Welland a call or email for the complete list.

Please give me a call or send me an email if you can help out at any of these events.

Happy Landings,
Don

Next Meeting:
The next club meeting is
Tuesday, June, 15 @ 7 PM at the flying
field.

CAM Meeting Minutes April 20, 2010

Don Bourdon called the meeting to order at 7:02 PM.

The meeting's agenda was approved as submitted.

New member applications – None.

Treasurer's report – Seth Nagy reported that there is \$489.72 in the club's bank account not including the TAG funds from the AMA.

There are currently approximately 30 paid members.

Safety report – None.

Field report – There is some leakage at the ends and sides of the runway. A possible remedy would be to bury the edge of the plastic.

Intro pilot report – None.

Old business: - A safety code review was performed.

TAG update – 8 Scouts are confirmed for the June session, 4 for July and none for August. The Scout Masters will be attending. We need volunteers from CAM to assist with this project.

New business:

A Cub Scout day camp will be held at the Philadelphia Lutheran Church in Granite Falls. They have asked for RC Demo flights on June 21 at 11 AM. Volunteers are needed.

Meeting was adjourned at 7:48 PM.

Next meeting will be Tuesday, June 15 at 7:00 pm at the flying field.

A little humor from around the patch.

Two airline mechanics were working on a 747 when lunchtime came. Rather than leave what they were doing, they just took their lunch break while sitting in the cockpit. While they were eating lunch, one mechanic bet the other that the landing gear would not retract if he pulled the gear lever up.

He lost the bet.

Be safe - John
