A Note From The President

I would like to extend a special thank you to Ron Miller, Seth Nagy, Vic Welland and Chris Roberts for their help with repairing the tear in the runway and getting the field in shape for our E-Fest. The field was in great shape for the fly-in and made a good first impression on our visiting flyers and spectators. We will be accepting nominations for club officers at this meeting. Please come and voice your choice to lead our club in 2011. Elections will take place at the Nov meeting.

Happy Landings.

A little humor from around the patch:

Student Pilot: "I'm lost; I'm over a lake and heading toward the big E."

Controller: "Make several 90 degree turns so I can identify you on radar."
(short pause)...

Controller: "Okay then. That lake is the Atlantic Ocean. Suggest you turn to the big W immediately ..."

Be safe - John
