A Note From The President

Prez sez:

Our last meeting brought up the thought of what we do as a club for the community. We are very fortunate to have a great place to fly and a local government that supports it. We discussed some of the things we do for local charities financially from our events but does our host know? At our next meeting we should discuss methods to promote our club as a local contributor to the community.

Heat, vacations, and other things can keep us from flying during the dog days. Try giving a buddy a call and make a play date to get some stick time in. We had a little presentation two months ago about building techniques and tools. Has anyone tried them? I would like to see and hear the results.

Get out there and Fly!

Vic

CAM Meeting Minutes

CAM Meeting Minutes
July 19, 2011

Vic Welland called the meeting to order at 7:05 PM.

The meeting's agenda was approved as submitted.

New member applications – Mike McGarvey is a new member. Welcome Mike.

Treasurer's report – \$267 was collected from the Speed Rally. \$50 was donated to the Lenoir Soup Kitchen. These were proceeds from the Fun Soar. \$120 was donated to the Hickory Air museum. These were proceeds from the Speed Rally. New balance is \$1,332.58.

Safety report – None.

Field report – A work day is scheduled for 8/20 in the early AM. The bleachers need to be painted. Carriage bolts and hinges are needed to attach the shelf in the shack.

Intro pilot report – None.

Old business: The Speed Rally was a big success. A spreadsheet of the results will be posted on the CAM web site. It was also noted that the food prepared at the Speed Rally by Mike McGarvey was excellent.

New business: It's not too early to start planning the Polar Pylon race. It was mentioned that the Scouts need more training prior to the race and that we should bring the Scouts out for a day of flying.

Discussion ensued regarding thanking the county commissioners for the use of the land for the air field. Included in the presentation would be what the club has done in the last two years to better the community.

Meeting was adjourned at 7:35 PM.

Next meeting will be Tuesday, August 16 at 7:00 pm at the flying field.

A little humor from around the patch:

An airline captain was breaking in a very pretty new blonde stewardess. The route they were flying had a stay-over in another city, so upon their arrival, the captain showed the stewardess the best place for airline personnel to eat, shop and stay overnight.

The next morning as the pilot was preparing the crew for the day's route, he noticed the new stewardess was missing. He knew which room she was in at the hotel and called her up wondering what happened to her. She answered the phone, sobbing, and said she couldn't get out of her room.

"You can't get out of your room?" the captain asked, "Why not?"

The stewardess replied, "There are only three doors in here, "she cried," one is the bathroom, one is the closet, and one has a sign on it that says 'Do Not Disturb!'".
