**Secretary:** *John Limbrunner*  
**Safety Officer:** *Ron Miller*  
**Field Marshall:** *Ron Miller*  
**Assistant Field Marshall:** **Volunteer?**  
**Intro Pilots:** *Seth Nagy, Vic Welland,*  
*& Ron Miller*  
**Webmaster:** *Chris Roberts*

### A Note From The President

Prez sez:

This year I have been repeating a theme of opportunity. So far I give our club and members a great big thumbs up. Why? So far we have had excellent support and participation in our events and club work days. Getting out to the field to fly and interact with each other is what will be key to keeping our club and hobby solid in the future. The Fun Soar was in my opinion as good as it gets. We had planes in the air most of the day with a lot of thermal activity keeping many up for long flight times. The visitors from Forest City remarked on how neat it was to see the variety of methods we used to launch the planes, some of which they had only read about but never actually seen. Getting to experience this variety is wonderful. We are getting ready to host the Speed Rally next week. I have had phone calls and emails from pilots again coming from some pretty long distances to fly with us and all the other speed demons we can muster.

At the meeting I will be asking for some volunteers to help on the 25th so we can

once again have a great event...seize the opportunity.

Get out there and Fly!

Vic

### Meeting Agenda

Caldwell Aero Modelers Agenda

June 21, 2011

Welcome Everyone

Approve Meeting Agenda

Approve May Minutes

Approve New Member Applications

Reports

Treasurer Report

Membership Report

Safety Report

Field Report

Intro Pilot Report

Old Business

New Business

Announcements

Monthly Presentation -- TBD

Adjourn until July 19 at the field

Auction & Show-N-Tell -- TBD

## CAM Meeting Minutes

May 24, 2011  
CAM Meeting Minutes

Vic Welland called the meeting to order at 7:02 PM.

The meeting's agenda was approved as submitted.

The April meeting minutes were approved.

**New member applications** – None.

**Treasurer's report** – A \$40 check written for mowing. New balance is \$1,315.88.

**Safety report** – None.

**Field report** – The new tables are holding up well. It was reported that there is some stress in the runway fabric in two spots. Don and Seth volunteered to attempt to repair it Saturday.

**Intro pilot report** – It was reported that Bobby is learning about Gorilla glue and foam planes.

**Old business:** A new wind sock is up but no one knew its source.

**New business:** The topic for next month's meeting will be building techniques.

Members are encouraged to share construction tips. To entice new builders, Balsa USA has a new basic kit with an 80 page manual containing 600 pictures, just the thing to get a new builder thru the process. Volunteers are needed for the Speed Rally; frequency control, fee collector, score keeper, announcer, etc. If you'd like to help call Vic. We also need some help with field prep on Friday 6/24.

The CAM Speed Rally will be held 6/25. Mike McGarvey will be catering the event.

Meeting was adjourned at 7:50 PM.

Next meeting will be Tuesday, June 21 at 7:00 pm at the flying field.

## **A little humor from around the patch:**

Apparently, hell hath no fury like an immigration official scorned. An officer in the U.K. placed his wife on a terrorist watch list while she was visiting family in Pakistan, preventing her from returning home for three years.

Be safe - John
