**Field Marshall:** *Ron Miller*  
**Assistant Field Marshall:** **Volunteer?**  
**Intro Pilots:** *Seth Nagy, Vic Welland,*  
*& Ron Miller*  
**Webmaster:** *Chris Roberts*

### A Note From The President

Prez sez:

Fall has hit us quickly but the flying is still hot. Our club has done some great things this year and there is still more to come. All year I have written about the opportunities we have as model airplane pilots, club members, and ambassadors of our hobby. Shortly we will have the chance to work on that last one and thank the county for letting us have such an excellent place to fly. We should be able to wrap up our ideas for this presentation at our next meeting. Any additional ideas on how we can show our gratefulness can be discussed.

It is getting close to renewal time for AMA and club dues. AMA has been kind enough to also remind us that there is an important election coming up. Take advantage of this time to familiarize ourselves with the candidates and see what their ideas are for the future of AMA. It's a pretty big deal since both the President and VP of AMA are up for election. Some of the candidates have already created websites in an attempt to gain your vote. If you would like to know more let me know and I'll forward the

addresses.

That said our club will be in the same situation shortly. If you would like to reach out for any of the elected positions or any of the non-elected volunteer positions make it known at any of the upcoming meetings. It's not as hard as it may look and satisfying to know we are supporting a fun pastime.

Get those electric planes ready for the last event opportunity our club will host. In October we will hold the E-fest. Let your buddies in other clubs know and we can have big fun spending electrons.

Get out there and Fly!

Vic

New Business

Announcements

Monthly Presentation -- TBD

Adjourn until October 18 at the library

Auction & Show-N-Tell -- TBD

### CAM Meeting Minutes

CAM Meeting Minutes  
August 16, 2011

Vic Welland called the meeting to order at 7:02 PM.

The meeting's agenda was approved as submitted.

The July minutes were approved as submitted.

**New member applications** – None.

**Treasurer's report** – No change from last month.

**Safety report** – A suggestion was made to determine what the 911 address for the field was and to post it in the shack. J

Limbrunner will contact Hudson Fire Dept to obtain an official 911 address.

**Field report** – A work day is scheduled for Saturday 8/20 at 9 AM. The bleachers need to be painted. Carriage bolts and hinges are needed to attach the shelf in the shack.

**Intro pilot report** – Mike McGarvey has been flying and Sean is off to college.

**Old business:** Details of club support in the community such as donations to local charities, involvement with scouting, and local purchases were discussed in regards to a presentation to the county commissioners. Vic was to pull more information together by the September meeting.

**New business:** A plaque was presented to

Eddie Kizer in appreciation of his support of CAM. Eddie has recently retired and closed our LHS; Planes, Trains and Automobiles. We all expressed our appreciation and hopes that Eddie would come fly with us often. Eddie offered CAM one of the signs from his business. The airplane could be cut out and used to decorate the shack.

The CAM website renewal is coming up.

The E-Fest was scheduled for October 8.

Meeting was adjourned at 7:31 PM.

Next meeting will be Tuesday, September 20 at 7:00 pm at the flying field.

### **A little humor from around the patch:**

Three old pilots were walking across the ramp to their airplanes.

First one says, "Windy, isn't it?"

Second one says, "No, its Thursday."

Third one says, "Yeah, so am I. Lets go get a beer instead."
