A Note From The President

If the world continues past this Friday it looks like we will get at least another year of flying and fellowship as a club. As a group we have accomplished a variety of things with more opportunity on the horizon. One of these accomplishments is the Swap Meet. Like the Rally this is an event that potentially can be on a lot of people's calendar in the future for years to come. From the conversations I have had with those who both worked and attended, it appears to have been successful. Success is the direct result of dedication and work from my experience. Both are virtues our club has in abundance. You guys make these positive things happen and all deserve a pat on the back. As model airplane enthusiasts we could easily get by with just doing our thing on the weekends or whenever we get to fly but we are demonstrating that reaching out and doing additional activities adds to the reward of being in a great hobby. GOOD JOB!! A few reminders are in order for this newsletter...Do you have a few planes lined up for the Dawn Till Dusk event? Time to get them tuned up and ready, it's coming up quick.
Dues, Have you paid your AMA and Club

dues yet? Also if we are members of any SIGs we want to be sure to take care of them at this time as well.

I look forward to relaxing and having pizza with as many as would like to show up Tuesday.

Go Fly! Vic
