A Note From The President

We will have a load of things to discuss at the meeting this week. Please do your best to attend.

One of the more important topics will be the swap meet. From what I can tell so far it looks like we have a pretty good handle on the things that need to be done. Tuesday is the night to ask any fine tuning questions about what needs we still have. I would like to thank all those who have volunteered and who will be working hard to make this event a success. You guys are great!

The second important thing is officer elections. This is your opportunity to make things happen, by either stepping up or giving me...er...someone the boot.

Please make arrangements to pay your club dues soon. This is also a good time to pay your AMA and any other SIG dues as well.

See you at the field.
