A Note From The President

If the elections for who leads our country and state aren't enough, we face two others of even more personal importance. First off our AMA district VP, Bliss Teague has been nominated for an unprecedented third term. He has been a valuable source of support to our club in the past and assures me that he will continue to assist us in the future. He would also appreciate your vote. The second is our club. Please be prepared to submit nominations at the next meeting. If you would like to reach out for one of the positions just make it known.

Last meeting was very nice with Ron bringing his plane for show and tell. Please bring whatever interesting project you are working on for the rest of us to drool over, even if it isn't finished.

Our club has been attracting new members pretty consistently throughout the year. Hopefully we have gotten an opportunity to fly with some of these guys. Welcome to the new guys and great job helping them progress, new blood keeps us strong. Thank you all for being fun to hang with. Vic
