### A Note From The President

Short and sweet, just like the daylight hours we are experiencing.

We had a great time with the fun soar, so much so that we might even hold a few more throughout the year. Swap meet is rolling along and we should have a good event there as well.

We are still open for nominations for club officers.

At the fun soar Dave Groom came out for a visit, personally I was very uplifted by seeing him. I am very happy to see him getting back up to speed and look forward to seeing him regularly again. He has been a huge help to our club in the past.

Come to the meeting and volunteer to help the club in 2014, we need it.

Vic

## CAM Meeting Minutes

CAM Meeting Minutes  
September 17, 2013

Don Bourdon called the meeting to order at 7:01 PM and welcomed all.

Agenda was approved.

**New member applications** – None.

**Treasurer's report** – Deposit of \$25 new balance is \$982.30.

**Safety report** – None.

**Field report** – Mowing should be done prior to 9/28 for the Fun Soar.

**Intro pilot report** – None.

**Old business** – The Fall Fun Soar will be Sept 28 from 9 to 3 with competition from 10 to 2. Hot dogs will be provided, members to bring fixins and deserts. BYO drinks. It will be OK to fly non-gliders as long as they don't interfere with the competition.

Swap meet – our date was double booked at the fair grounds. Since we booked first, the date is valid for CAM. The fair grounds manager asked if we could change our date. It was reported that the tables for the swap meet are only available for the date scheduled. A vote was taken and it was unanimous that we could not change our date. Seth would convey this to the fair grounds manager.

**New business** – Officer nominations were made and there were no new nominations.

James Goble has an indoor heli and a quad for sale, contact him.

**Monthly Presentation** – None.

Meeting was adjourned at 7:41.

### **Around The Patch.**

At Heathrow Airport today, an individual, later discovered to be a public school teacher, was arrested trying to board a flight while in possession of a compass, a protractor, and a graphical calculator.

Authorities believe he is a member of the notorious Al-Gebra movement.

He is being charged with carrying weapons of math instruction.
