A Note From The President

Finally with warm weather on the way we can start getting out to fly again. It has been a long winter so please double check everything before attempting to fly. The life you save could be your planes! Don't forget the combat battle and run way rip up on 04/19/14. Hope to see you there!

James

CAM Meeting Minutes

CAM Meeting Minutes
March 18, 2014

James Goble opened the meeting and discussed dates of planned club activities. He also mentioned that WHAM (West Hickory Aero Modelers) will lose their field June 1st.

- May 3rd - Fun Soar at Hunting Creek
- May 31st at 10am - Swap Meet at the field, vendors will be charged \$5
- April 19 at 9am - Combat work day at field
- April 26 at 9am - work day at field (James Dad will bring seed spreader) (Vic will bring fertilizer spreader)

Other business, the first hole is in the new runway. After discussion it will be patched with roof sealer.

Greg Winkler visited the club and is planning to join.

Mike Kirby and Randy Lewis both paid their dues in March.

James mentioned he could order club t-shirts; \$22 for small - 2XL and \$27 for anything larger than a 2XL. Just let James know if you are interested.

Show and tell, Vic Welland showed how to build a Q-500 race tail and showed off his Proto X by Estes (Read more about it on RC Groups). There was also a discussion about Ohms Law. Following that Art discussed how to fly the War-Wing on high rates and how to check the CG. There was also mention of the 60 Minutes TV program about drones. There was no mention of AMA in the program. The final topic was First Person Viewer (FPV).

The meeting was adjourned.

Respectfully submitted by Seth Nagy

Around The Patch

New York (CNN): At John F. Kennedy International Airport today, a Caucasian male (later discovered to be a high school mathematics teacher) was arrested trying to board a flight while in possession of a compass, a protractor, and a graphical calculator.

According to law enforcement officials, he is believed to have ties to the Al-Gebra network. He will be charged with carrying weapons of math instruction.
