A Note From The President

Halloween is just around the corner. You know what that means. Yep. It's time to start thinking about our annual Christmas party. Are we going to get together again this year for a meal? If so, where would we like to meet? Be thinking about it and we'll discuss it at the next meeting.

Around The Patch

A plane was taking off from Kennedy Airport. After it reached a comfortable cruising altitude, the captain made an announcement over the intercom, "Ladies and gentlemen, this is your captain speaking. Welcome to Flight Number 293, nonstop from New York to Los Angeles. The weather ahead is good and therefore we should have a smooth and uneventful flight. Now sit back and relax -- OH MY GOD!" Silence followed and after a few minutes, the Captain came back on the intercom and said, "Ladies and Gentlemen, I'm so sorry if I scared you earlier, but while I was talking, the flight attendant brought me a cup of coffee and spilt it in my lap. You should see the front of my pants! A passenger in Coach said, "That's nothing, he should see the back of mine!"
