

Club Information

President: *Chris Roberts*
Vice President: *David Groom*
Secretary: *Vic Welland*
Treasurer: *Don Bourdon*
Safety Officer: *David Hames*
Field Marshall: *Keith Herold*
Intro Pilots: *Chris Roberts, Seth Nagy, Vic Welland*

A Note From The President

This has been a really good year for CAM. With the new fabric runway from last year, the new grass runway and field improvements from this year and the addition of several new members, we have really come a long way. Once again I would like to thank everyone for their work and participation.

- Chris

Next Meeting

Our next club meeting is
Tuesday, February 17 7:00 pm
at the Library.

Adjourn Business Session till March 18

Auction & Show-N-Tell

November meeting minutes

Called to order at 7:02PM.

Read and Approve Minutes

There were no minutes from November. The December meeting was the Christmas dinner and no business was conducted.

Approve new member applications:

Tom Schultz, Ken Crump and Ben Hames joined the club.

It was noted that one of the gold leader club requirements is 'Club membership is open to all AMA members and is not limited to a certain number.'

Treasurer Report 01/20 - \$1865.52

Membership Report

There were 15 paid members before the meeting. Dues for 5 more were collected at the meeting.

Safety Report

David Hames reported that he had no safety violations to report.

Field Report - Field is in good shape. Lock needs to be fixed (oiled and numbers highlighted) or replaced.

Old business

Anyone not receiving club newsletters that needs to verify their email address, please contact Vic Welland, Don Bourdon or Chris Roberts.

New business

Chris will check into the requirements for intro pilots. It appears that pilots need to be identified to AMA and paperwork for each student needs to be filled out for the AMA insurance to be effective for a student who is not yet an AMA member. David Hames and Tom Schlutz were intro pilots at WHAM and volunteered to be intro pilots for CAM.

Our field safety rule #5 which states:

When flying during County business hours please check in with County Personnel at office is no longer valid. Chris will remove it from the safety rules document on the web site.

Please keep in mind that we usually donate proceeds from some of our events to charity. If you are planning an event in the coming year, please take this into consideration.

Remove the old taxiway and plant grass this spring - probably in May.

William Campbell offered to check on an old building that could possibly be moved to the field and serve as more of a shelter that we have now. After discussion, it was decided not to pursue this.

Monthly Presentation

Wayne showed a magnetic prop saver that he is developing. It uses rare earth magnets instead of the usual O rings to provide the flexibility to prevent prop breakage in the event of a crash.

Current Events – Looking at the AMA competition calendar
