

AMA Charter #3470

**May, 2016**

### **Club Information**

President: Seth Nagy

Vice President: Ted Flemming

Secretary: Wayne Barrett

Treasurer: Tom Withem

Safety Officer: Butch Clark

Field Marshall: Keith Herold

Intro Pilots: Chris Roberts, Seth Nagy, Vic Welland, Tom Schultz, David Hames

Contest Chairman: Vic Welland, Don Bourdon

Meeting Activity Coordinator: Chris Roberts

### **A Note From The President**

Hope everyone had as much fun at last month's swap meeting as I did. I went home with a good glider book, some new props, and a really cool spinner nut. The weather continues to get better for flying. Looking forward to next month's meeting.

Remember will be flying gliders before the meeting. This will be in preparation for the soaring event at Hunting Creek. Meeting activity coordinator, Chris Roberts, will have Tower Hobbies certificates to give out for the top three glider pilots.

If you have any questions or concerns before next meeting please let me know. Don't forget to contact a flying buddy

before heading out to the field. It is always more fun to fly with a friend. They can also help you look for a lost plane too.

See you May 17th at May's monthly meeting.

Happy landings. – Seth

  - Safety Officer
  - Intro Pilots report
  - Treasurer's report
- Old Business
  - Club Roster Vote
  - Dotted Line Vote
- New Business
- Auction / Show & Tell
- Q & A

## **April Meeting Minutes**

Seth called the meeting to order at 7:00PM, welcomed everyone and the agenda was approved.

New member applications – we had two new members, Shea and Allen, both from West Hickory Aero Modelers. A motion was made to accept the new members and was approved unanimously.

April's meeting minutes were read and approved.

Treasurer's report – at the start of the meeting we had \$2851.59.

Field report – the field was mowed one week prior to the meeting after the mower was fixed up. Denise helped Keith with the mowing and the field looked great. Keith mentioned that the field boxes could use some sprucing up.

Safety report – no issues reported and Ted reminded everyone "don't do what I do".

FAA update – Seth gave a quick update for everyone on the AMA / FAA relations and the possible new restrictions that may take affect.

Old business – The gravel driveway / parking area was discussed. The majority of our members are now aware that a graveling project may take place this year to improve the field.

Old business – A workday is scheduled for Saturday, May 21<sup>st</sup> at 9:00AM. The agenda for that day is fix up the end of the runway and clean / repair the fieldboxes.

New business – Hunting Creek will host a sail plane contest, date to be announced. Lee says they will host both electric and pure gliders with a bungee launch. Lee also said there will be free food, at which point everyone present committed to attend the event. Chris asked everyone who wanted, to bring their gliders to

the next meeting for a practice sessions. Seth will provide a bungee for us. Seth also has some Tower Hobbies coupons that will be up for grabs at the next meeting to sailplane practice session winner.

New business – Will Knight proposed that we build a heli-pad to accommodate the helicopter flyers we have in the club. After some debate, Dave made a motion to approve his idea. The motion was carried to allow Will to build the pad.

Meeting adjourned at 7:40 PM.

Be sure to see the next page for information on Morganton Aeromodeler's Spring Fling Fun Fly on Saturday, May 28<sup>th</sup>.

Fun  
for  
Everyone!

# Morganton Aeromodelers *Spring Fling* *Fun Fly*
