### **A Note From The President**

Thanks to all that helped with the cookout at the September meeting. We were blessed with great food and fellowship. Now that the weather is feeling a little more like fall, there will be good flying weather to enjoy. And for those that have lost planes, the leaves dropping will make searching more productive.

Remember, we move back inside for the October meeting. The meeting will be at the Caldwell County Agricultural Center and Public Library meeting room two. The address is 120 Hospital ave NE, Lenoir, NC. Look forward to seeing you there.

Happy landings - Seth

## **September's Meeting Minutes**

New members Garrett and grand-father Gary were voted in.

Seth announced that the next meeting will be in the library.

Bob suggested placing a boulder or post by the entrance gate to keep it from swinging into the weeds so far. Butch was nominated to lift and move the boulder and had Bill to thank for encouraging the motion. It was decided that we should look into some kind of stop for the gate.

Seth adjourned the meeting, encouraged everyone to fly some planes, and thanked everyone who help prepare and contribute to the meal we all enjoyed.
