### **A Note From The President**

We should be getting into some good flying weather this fall. There have been some hot days this summer. I hope we'll have good weather for our club cookout at the September meeting. Be sure to bring something to fly. Spouses and friends are all welcome. There will be plenty of food. Be sure to bring a drink if you want something other than water.

Happy landings – Seth

Old business – \$500.00 was approved for a haul bill for more gravel.

New business – October 8<sup>th</sup>, Hunting Creek will hold the Bob Tillman Memorial Fly-In beginning at 9:00AM. It will purely be a day of fun. No planned events, just bring all your favorite aircraft and go fly at Hunting Creek in remembrance of a man who truly loved the hobby. There will be free food and drinks.

New business – Thanks to Bob for making a new windsock!

New business – We kicked around some ideas for possible improvements to the flying site. Butch proposed making the runway longer. I put out the notion of adding some form of electricity, either solar or by a generator. No decision was made about lengthening the runway. Seth is

going to speak to Barry about the possibility of running electric service out to us.

Meeting adjourned at 7:35 PM.
