- Approve Agenda
- New member applications
- Reports
 - Field Officer
 - Safety Officer
 - Intro Pilots report
 - Treasurer's report
- Old Business
- New Business
- Auction / Show & Tell
- Q & A

March's Meeting Minutes

Treasurer report - \$3,611 and 124 paid members for 2017.

Field report - looks good.

Safety – A-Ok - Butch

Intro pilots – No new intro pilots, but Dave is flying very well.

Meeting activities - Chris has planned for us to come early to the meeting and fly planes!

Old business –Jeff Dobbins got two quotes for hauling gravel, both were \$100 per load. With 80 tons, we will need 6 loads. We voted to appropriate \$1720.00 for the gravel; 80 tons at \$14/ton and 6 truckloads at \$100 / per load.

Old business – Bob brought up rolling the grass runway to smoothen it up some. He is checking on rental availability and may contact Tom for payment when the rental is sorted out.

New business – Will Knight is ready to put in the heli pad, we voted in favor of. We can all look forward to having a nice pad to launch and land helicopters and multirotors.

New business – I (Wayne) have volunteered to do handle the “meet-n—greet” for the speed rally. I will be handling the pilot sign-ups, taking the \$5 landing fee, as well as collecting for the 50/50 raffle and Flyzone Switch raffle.

We still need volunteers to help line up pilots or keep a pilot on deck and keep the flight line maintained. We still need someone to record times, someone to help with parking, and several people to cook and handle food. We prefer the best and brightest among us for food preparation; so if you are asked to help with food please remember we are only asking you because you are the best and brightest!

New business – Bob asked if we could get the club trainer out to the field for the speed rally

for some spectator participation during lunch. We all agreed that is a great idea.

New business – Terry asked if we wanted to have food at the fun fly/swap meet. We, of course, voted yes. Terry is bringing his grill and some hotdogs and condiments.

For our meeting activity, we flew planes. Most planes came back in one piece!
