July's Meeting Minutes

Treasurer report - \$2,165.00.

Field report – The field looks great. Bob is altering the last flight station table on west end to hopefully salvage a usable table from it. It is currently in bad shape.

Safety – A-OK! – Butch Clark

Intro pilots –Chris reported that Dave had two very successful solo flights.

Meeting Activity – Fly before / after the meetings.

New members – We have two new members. Both Ed and John drive trucks for Benco Steel and know Ted. Ed has driven for Benco for 23 years and John, 4 years. Both new members were unanimously approved.

Old business – Terry is checking on the cost of a flag for our flying site. Vic made a motion to appropriate \$60 for the flag, the motion passed.

New business – Terry suggested we change our electric fly-in from 09-23 to 09-30. Doing so will avoid hosting an event on the same weekend as Colonel Flyin Aces' Bliss Teague Fly-In.

New business – Many thanks to Tony Kaylor who donated a Hobbico NexSTAR 46 trainer to the club. Vic is checking to see if he has an available engine; Terry is checking for servos.

New business – Vic is here at the meeting! Everyone is happy to catch up with him and talk RC!

New business – Chris brought up our summer picnic and we agreed to have the picnic at the September meeting.

Show-N-Tell – Vic brought a custom designed trainer that looks great.

We adjourned at 7:17 pm
