May's Meeting Minutes

Treasurer report - \$2,165.00.

Field report – The field looks great.

Safety – We have had a couple of instances where guys fly over the pits, one such instance happened minutes before the meeting.

Intro pilots –Chris has had positive reports for both Larry and Dave.

Meeting Activity – Fly before / after the meetings.

Old business – David Hames won he warbird best in show contest.

New business – Terry suggested we put up a flag pole at the field. Most think it is a nice idea, but no one made a motion.

New business – Butch did some buddy box flying with the club trainer at Colonel's Fly'in Aces; as he described that to us, he paused and said "long story short, our trainer is stuck in a tree at Colonel Fly'in Aces field." A motion was made and we decided to buy a new club trainer. Colonel's Fly'in Aces has donated \$100 to the purchase.

New business – Saturday, June 24th, Hunting Creek is hosting their FPV Fly-In. There will be free food and the entry is free.

Show-N-Tell – Terry showed us a recently purchased Extreme Flight flying wing that replaced the one that went down in the trees last year. It's a neat setup that is capable of pushing up to 150+ MPH.

We adjourned at 7:21 pm
