## April's Meeting Minutes

Treasurer report - \$3,711 and 27 paid members for 2017.

Field report - looks good, we have volunteers to mow while Keith is in Florida.

Safety – We will need to put up a temporary fence for spectators for the speed rally.

Intro pilots – Larry is flying and landing very well. While he has been using the buddy box with Chris, there are becoming fewer and fewer “I got it”'s coming from Chris, according to Larry.

Meeting activities - Chris took a vote and everyone agreed flying before the meeting is the best meeting activity.

Old business –Gravel – we are going to try to get it put down before the speed rally.

New business – We need volunteers to help with the fence on Saturday the 22<sup>nd</sup> at 9:00 AM. Chris volunteered.

New business – Volunteers for the speed rally:

Wayne – meet and greet / pilot reg. / raffles

Kim and Bob – bringing backup laptop / printer

Ted – parking director

Chris / Ellen – food and preparation

Richard – record flight times with Lee

Special thanks to Bob and Larry for bring raffle tickets

New business – We need to have the port-a-jon cleaned. Seth is making arrangements.

New business – Terry is fixing and testing the P.A. system on Saturday the 22<sup>nd</sup>.

Show-N-Tell – Chris showed us a sail p[lane anchor made from pvc pipe with a weight inside it. The pipe had fittings on each end to keep it

slightly elevated above the ground, perfect clearance for a sail plane wing.

We adjourned at 7:28 pm
