September's Meeting Minutes

Treasurer report - \$2,049.21 with 32 paid members.

Field report – The field looks great. Bob is doing a great job.

Safety report – Butch said that while we were doing A-OK, we had a flight over the pits before the meeting. Our safety report grade has been reduced to just an “ok”.

Intro pilots –Larry is still flying and honing his flight skills.

Meeting Activity – For the fly-in, we discussed possibly having some spot landing challenges and maybe some touch-and-go challenges.

New members – We have no new members.

Old business – Terry reminded everyone that we are having our end of season meal at the fly-in. Tom is bringing slaw, Chris is bringing hotdogs and buns, and Bob and Kim are making pasta salad. Terry's wife is also preparing food for us. Anyone who would like to bring something is welcome to do so.

New business – this is the last meeting at the field this year. We are meeting at the library next month.

New business – Ken reported that Lee is doing much better and hopes he will see more improvements this week.

We adjourned at 7:13 PM

Reminder –Hunting Creek is having their annual Bob Tillman Memorial Fly-In Saturday, October 14th.

Reminder our Electric Fly-In is September 30th at 9:00 AM. We will open the field to all manner of planes (electric or not) at 11:00 AM.
