- Old Business
- New Business
- Auction / Show & Tell
- Q & A

## April 2018's Meeting Minutes

Called to order at 7:01 PM. Welcomed everyone.

TREASURER REPORT - \$1469.18 this balance is after purchase of the tractor (\$978) and supplies for the workday from Lowe's (\$163.47). We have received a \$100 credit from Wayne Gravley for our old tractor. We have 21 paid members at this time.

FIELD REPORT – Looking good per Bob. We will begin fertilizing the field in May and this will continue until September.

SAFETY REPORT – Everything is A-Okay per Butch.

INTRO PILOTS –No intro pilots.

New members – We have no new members.

OLD BUSINESS – Club and AMA dues are now due.

OLD BUSINESS – Thank you everyone for the work that was done on our workday. We built the new floor for the shed and moved it. Everything went very smoothly. The carport was tightened up.

OLD BUSINESS – Vic had mentioned there was a noise level rule that had to be added to the website and Chris took care of this.

NEW BUSINESS – Speed Rally – Lee is all set to come and he has spoken to his group about it. Chris is sending out info to clubs within a 75 mile radius. Dave has this in the newspaper. The outhouse needs to be serviced before the event. Chris and Ellen are donating the food. All monies raised from the event (food, landing fees and 50/50 draw) is to go to Caldwell County DARE program. Wayne has brought everything he has for the event. We will have three planes to use as trainers.

NEW BUSINESS – The AMA safety rules will be covered by Vic at the next meeting.

NEW BUSINESS – All of the scrap metal at the field can be sold and we just need a truck to haul it off. Everything that is metal that we are not using will go. Chris and Seth will take care of this.

NEW BUSINESS – The old Lawn Boy that is in the shed it just taking up room. Bob has it and is trying to get it to run. He is going to see if we can possibly sell it.

NEW BUSINESS – New pilot stations – Ted has donated all the PVC fittings for this. There was discussion on where the new pilot stations will be going and where the flight tables are being moved to for safety. Terry made a motion to approved all changes, this was seconded by Butch. Everyone was in favor and the motion carried.

We adjourned at 7:32 PM
