May 2018's Meeting Minutes

Called to order at 7:00 PM. Welcomed everyone.

TREASURER REPORT - \$1336.40 balance after spending \$132.78 at Lowe's for pilot stations and new fence.

FIELD REPORT – Looking good per Bob. We need to purchase new belts for the tractor.

SAFETY REPORT – Everything is Okay per Butch.

INTRO PILOTS – We had a few people who flew with the trainers at the Speed Rally.

NEW MEMBERS – We have no new members.

OLD BUSINESS – Club and AMA dues are now due.

OLD BUSINESS – The Speed Rally went very well. Butch joined the 200 mph club. We sent \$234 to Caldwell County DARE.

OLD BUSINESS – Per Bob the last two flight stations need to have a fence put up between them and the runway for safety. Bob will take care of doing this. The motion was made by Terry and seconded by Butch. The motion carried.

NEW BUSINESS – Our next event is the Fun Soar on June 16th. Chris will mow before this event since Bob will be out of town. Terry is going to make a flyer for this event. Chris will send this out to all the clubs that are close. Dave is going to have this put in the paper. I will send out a reminder email with the flyer before the event. Chris and Ellen will take care of the food again. There will be a \$5 landing fee and we will also have another 50/50 raffle.

NEW BUSINESS – The approximate costs for the belts for the mower will be \$100. We need a drive belt and a deck belt. There was a motion made and all moved to purchase these. Bob is going to get these at Wayne Gravely where the mower was purchased and see if we can get a deal since we have not had the mower that long.

NEW BUSINESS – Chris has taken over the task of getting the port a john serviced.

NEW BUSINESS – The scrap metal has not been taken care of yet, but this will get taken care of. There is more metal there than Chris expected.

We adjourned at 7:19 PM
