### **August's Meeting Minutes**

Jeff Simek (Pinch hitting for Owen)

CAM August 19, 2020 Meeting Notes:

Called to order at 7:00 pm

July minutes approved

Guests/perspective new members:

A Starr from Beverly Hills. Bob Starr, who recently moved to the Hickory area from Beverly Hills, Florida, was warmly welcomed. Formerly employed in the military and public schools, Bob has been flying for years and was active in two Florida flying clubs. He enjoys flying primarily electric high-winged planes.

Field Report:

Considerable rainfall has made it difficult to keep up with lawn mowing. The lawn was cut three times over the past month. The field is certainly green and the grass quite healthy – and in good shape. There was discussion on rebuilding the flying tables: the consensus was to undertake a work day in the spring.

Safety Report: No issues.

Intro Pilot Report:

John, and his son Luke (Fields) continue their training. John is progressing on the buddy box: Luke has been flying frequently and both continue to improve their skills. Both are AMA members and full members of the club. Jaydin is away in Military School but is home weekend and likely to be flying in his time off.

Treasurer's Report:

All is well. Current balance is \$2166.88 with 26 paid members.

Old Business:

Good turnout reported from the August 8 Fly-In. Three visiting clubs attended. CAM raised \$98 through the 50/50 and donations.

One more Fly-In planned for 26 Sept. Donations and 50/50 (in lieu of landing fee) will be accepted for a local charity (TBD).

New Business:

The September monthly meeting will be held as scheduled at the flying field.

Due to issues on obtaining meeting spaces in the continuing COVID environment, the consensus was that beginning in October, weather permitting, meetings will be held Sunday afternoons starting at 2 p.m. at the flying field. A motion was made, seconded and passed unanimously to adopt this as the winter meeting strategy.

The nominations committee in September will entertain nominations for the club's 2021 Officer positions and volunteers are asked to come forward (operators are standing by). Elections will be held in November.

Show and Tell:

Nothing to report.

Upcoming Events:

Sept 19: Rivers Edge Fun Fly and Swap Meet

Sept 26: CAM Fly-In

TBA: Hunting Creek Fly-In

The meeting was adjourned at 7:15
