### **October's Meeting Minutes**

CAM October 18, 2020 Meeting Notes:

Chris called the meeting to order at 2:00 p.m.

September meeting minutes were read and accepted without modification/objection.

Guests/perspective new members:

We had the pleasure of hosting Dotty Groom. She spent the afternoon chatting with us and watching our models buzz around the field.

Field Report:

Field looks good. Some of the white tape is pulling up along the runway. Additional tape is in the storage building for potential replacements.

Safety Report:

Butch Clark was reinstated as Safety Officer. He had just been too busy to participate over the past several months.

Intro Pilot Report:

Nothing new to report.

Treasurer's Report:

All is well. Current balance \$2,001.72. Recent expenses included lawn mowing (3x); The club currently has 30 paid members. Dues for 2021 can be remitted at any time between now and the 1 Jan due date.

Old Business:

The September 26th Fly-In was a resounding success. We had 13 registered pilots and numerous guests. The club raffle was sponsored by Terry who donated two aircraft. The raffle earned \$135. The two prizes were drawn by Owen and Jeff Simek.

Still planning on conducting a field day in the spring to repair/rebuild the starting tables. No date has been set.

New Business:

The proceeds from the raffle (\$135) were donated to the College Avenue Soup Kitchen. Angel Moretz sent the club a very nice thank you note.

This was the first of our winter CAM meetings to be held on the third Sunday of the month, starting at 2 p.m. Based on the turnout (14 members) holding the winter meetings at the field was a success. We discussed the potential of utilizing Zoom Meeting as a backup meeting solution in the event of inclement weather over the winter months. Chris Roberts said he would determine the particulars and report back.

FAA registrations for recreational flyers may be expiring for some folks. The earliest expiration date is 12 Dec 2020. To see if your registration is about to expire and/or to renew your FAA registration, visit [FAADroneZone.faa.gov](http://FAADroneZone.faa.gov). Registrations are good for 3 years and costs \$5. Please be aware of FAA scam sites charging more than \$5.

Christmas party. The club is planning on doing our annual Christmas Party/dinner in lieu of a December meeting. Piccolos was again suggested as a possible location. Chris will check with the restaurant to determine if they will be able to host us in light of Covid restrictions. If you have a different suggested locale please contact Terry or Chris.
