January's Meeting Minutes

CAM January 17, 2021 Meeting Notes:

Chris called the meeting to order at 2:00 p.m. 7 members present.

December meeting minutes were read and accepted without modification/objection.

Guests/perspective new members:

None.

Field Report:

Field looks good. With the cool weather, the grass is not growing very fast. Still planning on a Spring Work Day (Date TBD).

Safety Report:

Everyone is flying safely with no incidents to report.

Intro Pilot Report:

Nothing new to report.

Treasurer's Report:

All is well. The checkbook balance is \$2,176.72. The club currently has 9 paid members. Please remember to pay your club dues as well as renew your AMA membership and FAA registration as required. Tom/Bob will be coordinating turning over the treasurer responsibilities

Old Business:

Reminder - FAA registrations for recreational flyers may be expiring for some folks. The earliest expiration date is 12 Dec 2020. To see if your registration is about to expire and/or to renew your FAA registration, visit [FAADroneZone.faa.gov](https://www.faa.gov/FAADroneZone). Registrations are good for 3 years and costs \$5. Please be aware of FAA scam sites charging more than \$5.

Vic and Terry are still working on creating a new CAM sign for the front entrance.

Chris Roberts initiated a test run using Google Meet with club officers. Google Meet worked well and we developed a short checklist to facilitate utilizing this utility as a backup meeting solution in the event of inclement weather over the winter months.

Key points –

1. The secretary will email membership ~48 hours prior to meeting date/time to alert membership we are planning on conducting the meeting on-line.
2. Chris will initiate an email to club members ~10 minutes prior to the meeting inviting members to join.
3. Members desiring to join in will click on the link provided in Chris' email.
4. Chris will accept those members as they pop up on his computer.

5. Members - to reduce confusion and for clarity please deselect your microphone and video. This will still allow you to listen in and view the club officers. If you have a question/comment simply click on the camera and microphone icons at the bottom of the screen. This will alert everyone that you

want to speak. Note: please ensure to sanitize your background (or not ).

New Business:

Still planning on conducting a field day in the spring to repair/rebuild the starting tables. No date has been set.

Show and tell:

Bob Wyckoff has 4 x windows (Vinyl, Thermopane w/screens) he is willing to give away. The windows are ~46" x 60" (W x H). Please contact Bob at 828-572-4846 if you are interested.
