

## **CAM July 2023 meeting minutes**

Meeting called to order at 1:54 p.m.  
11 members present for the meeting.  
Reading of the June minutes waived.

Treasurer's report, \$3307.03 balance in checking.  
30 members paid dues for 2023.

Field report, things are in good shape.

New business, we are considering instituting a "Black Star" program. Black stars are given after crashes. Explanation will have to be given for crash as education for all.  
The club would like to get some new shirts and hats to use as prizes at events and to sell to members at cost. The ones we did before went well. This was voted on and approved.  
The FAA has approved our site as a FIRA.  
Upcoming event, Sept. 23. Proceeds will be donated to the Lenoir Soup Kitchen.

Old business, none.

Crash reports, Take note, an F15 will fly like a rock when the battery goes dead. Ouch!  
And Doug says your plane will do nice rolls before impact if you have the controls reversed...  
Butch had similar experience with a 1.2 million dollar VX Aerospace drone, but just managed to save that one.

Meeting adjourned at 2:25 p.m.
