FRIA- Federally Recognized Identification Area survey has been
submitted

to AMA. More than 900 clubs have started the process. FAA rules
go

into affect in September. You will be able to fly at the field your
U.A.V. (unmanned areal vehicle-R/C plane, drone, helicopter etc.)
It will be

C.A.M.'s PPOC.

The club made a motion to reimburse Doug Gast for repairs he
made to

several of the plane stands (Materials) The motion was seconded
and approved.

Field report, the field is in good condition, mowing has started, as its

warmer now and the grass is really starting to grow.

Old business, The club is looking into Cap's and T shirts for events and

for members who are interested in purchasing them.

New business, The club is going to reduce the amount of scheduled events

due to conflicts and logistical issues.

Sow and tell, Avery unique 3D printed plane was displayed as well as a small seaplane.

Note to members, go to AMA site and take the "Trust Test" and be sure you get an FAA number for your aircraft also.
